Signed..... Elementary School Principal

Signed..... High School Principal

Date of Policy: August 2016

Date of Review: August 2017

This policy is written in the spirit of putting into practice our Lasallian core values.

Aims and Objectives

Our policy on school uniform is based on the notion that school uniform:

- Promotes a sense of pride and unity in the school.
- Engenders a sense of belonging to the school and SJII community.
- Is practical and smart.
- Creates an identity for the school.
- Makes children feel equal to their peers in terms of appearance.
- Is designed with health and safety in mind.
- It encourages self-discipline.
- Teaches children value of self-expression without depending on clothes or things being owned.

The role of Staff:

It is the collective role of the staff to ensure that all pupils adhere to the school policy. Staff will have high expectations of students in relation to school and uniform and model high dress standards.

The role of parents

We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a duty to send their children to school correctly dressed and ready for their daily schoolwork. One of the responsibilities of parents is to ensure that their child has the correct uniform, and that it is clean and in good repair.

The role of the students

To wear the school uniform with pride and in a manner consistent with this policy.

The role of The Board

The Board supports the Principals in implementing the school uniform policy. It considers all representations from parents regarding SJIIIM's uniform policy and liaises with the Principals to ensure that the policy is implemented fairly and with sensitivity.
