

St Joseph's Institution International School Malaysia

Position: Elementary School Physical Education (PE)

St. Joseph's Institution International (SJII) Malaysia a school of the De La Salle Brothers is seeking an outstanding specialist PE whose passion and experience will transform the outcomes of our students. The successful candidate will have a fantastic opportunity to join the third year of our values driven international school.

The Elementary School offers a dynamic and creative curriculum delivered through the International Primary Curriculum. We are committed to securing the highest possible standards of teaching and learning. Our school will provide students with a rigorous and creative learning environment that will enable them to flourish as successful Global Citizens. There will be a very strong extra-curricular offer and the successful candidate will be expected to make a significant contribution to this programme.

Requirements:

We are looking for a committed, passionate and knowledgeable professional who will work tirelessly to ensure the academic, social, emotional and spiritual growth of the children in their care.

Suitable candidates will:

- Be an inspiring, innovative and high achieving professional.
- Be sympathetic to the ethos of our school and supportive of our Lasallian values.
- Have a proven track record of delivering outstanding PE teaching throughout the Elementary school.
- Have specialist knowledge of gymnastics and dance teaching
- Have the ability to motivate others and lead by example,
- Have an appropriate academic degree and teaching qualification.
- Have excellent interpersonal skills with students, teachers and parents.
- Have a genuine commitment to student progress and the wellbeing and pastoral care of children.

We can offer:

- The opportunity to work in a dynamic, state of the art environment
- A caring, inclusive Lasallian school committed to holistic education
- A school-wide commitment to accelerating and deepening pupils' learning
- A highly effective team committed to supporting each other
- Excellent professional development opportunities to support the delivery of cutting edge practice.
- Highly competitive teachers' pay and conditions.
