SJIIM celebrates its third batch of IBDP Scholars

Petaling Jaya, Malaysia (19 October 2018) - St. Joseph's Institution International School Malaysia (SJIIM) recently celebrated its third batch of International Baccalaureate Diploma Programme (IBDP) Scholars through a Scholarship Awards Ceremony on 19 October 2018. The event was graced by the Brother President of SJI International Singapore, Br. Lawrence Humphrey as the Guest of Honor and notable guests such as Ms. Chew Gek Hiang who is the council member of the Tan Chin Tuan and Tan Sri Tan Foundation.

A time honoured Lasallian tradition that is also observed in its brother school, SJI International Singapore, the IBDP Scholarship Programme is a cornerstone of the Lasallian International School. The scholarship programme is now in its third cycle and has been supported by many organizations, well wishers since its inception in 2016 and in particular, the Tan Chin Tuan and Tan Sri Tan Foundation who has been a significant benefactor of the initiative.

Each of these scholars stood proud as they were called on stage to receive their Scholarship Award Certificates while being celebrated by SJIIM's Board of Governors, Principals, invited guests, teachers, parents and students. The presence of Br. Lawrence Humphrey as the Guest of Honour exemplifies SJIIM's unbridled connection with SJI Singapore.

In his speech as the Guest of Honour, Br. Lawrence Humphrey congratulated the scholarship recipients and reiterated that as Lasallian Scholars, the honour should be worn with pride, distinction, responsibility and courage. He asked the scholars to appreciate the opportunity they have been given and challenged them to pass forward the generosity they have received in the future. The importance of this was further reiterated in his speech, stating **"Next year we will be observing the 300th anniversary of the passing of De LaSalle, who died in 1719. In the face of the many difficult situations he encountered, De La Salle had the courage and the faith to overcome fear and what seemed to be insurmountable obstacles – all for the sake of the mission. You, too, as a Lasallian scholar, are called to touch hearts and change lives, especially for the Least, the Last, and the Lost, like De La Salle"**.

An all-round enriching scholarship experience, the IBDP Scholars of this programme also had the opportunity to participate in a Lasallian Leadership Training Camp in the Philippines this year which focused on Lasallian Formation, Leadership Training and Service Work. This helped to prepare the school's scholars as Senior Lasallian Student Leaders to serve the school's community and the needy public on their return from the camp.

They are already displaying an understanding of our values and expectation and I am sure they will be positive role models for our younger students."**
