

Elementary School

GONG XI FA CAI

Today we were treated to a fabulous assembly which included children from Reception -Y6. Children danced, sang, recited poetry and played musical instruments. It was very impressive to see so many students speaking confidently in Mandarin. Congratulations and thank you to our Chinese department who only had 2 weeks to produce this wonderful event.

This afternoon the whole school watched a spectacular Lion Dance. The Lion visited different areas of the school to bring prosperity and happiness to all our community.

Thank you once again to our parents who provided a range of cultural activities and food for all of the children to experience. There was a true feeling of community throughout the day. Our children will remember occasions such as these fondly for years to come.

IMPORTANT HEALTH NOTICE:

We have been monitoring the situation regarding the outbreak of Middle East Respiratory Syndrome Coronavirus in mainland China. There have also been confirmed cases in other countries including Korea, Thailand and Japan. The Malaysian Medical Association website offers advice for travellers who may be going to these countries during the holidays. Please do adhere to this advice if you are travelling to an affected area.

We would request that any children who have travelled to an affected country report to the medical room on their return to school. The Ministry of Health also advises that adults showing any symptoms stay away from the school and do not drop off or pick up their children.

Thank you for giving this matter your kind attention. If you are travelling over the school break, we wish you a happy and restful holiday.
