

SJIIM Weekly Update

31st January 2020

Lasallian Reflection:

The Virtue of Trust:

Trust

Trust is having faith in someone or something. It is a positive attitude about life. You are confident that the right thing will happen without trying to control it or make it happen. Even when difficult things happen, trust helps us to find the gift or lesson in it.

You are practicing Trust when you...

- Believe there is some good in everything that happens
- Look for the lessons in painful experiences
- Let trust take away your worries
- Know that your best is good enough
- Trust others unless you have good reasons not to
- Don't nag, worry, or try to take control

Affirmation

*I am trusting. I have no need to control others.
I release fear and worry.
I feel at peace and know I am not alone.*

Catholic Corner

Our next Mass is **February 5th** in the chapel located on the sixth floor. In an effort to maintain the healthy and safety of all our school community, this Mass will be for students from Year 3 upwards only. Unfortunately, parents will not be able to attend due the current measures in place for the health and safety of all our students. Thank you for your understanding with this.

Our blessings

As we embrace a brand new year, it is the ideal time to think and reflect upon the blessings we have in our lives. Help us to feel grateful for the simple things in life such as having time to spend with friends and family. Let us take a quiet moment in our daily lives to pray for groups of people, environments, and situations around the world that may need prayer.
