## Mooncake Festival music performance

Our Mid-Autumn Festival singing performance took place today in the school foyer. The combined efforts of our KS2 Choir and Year 3, 4, 5, and 6 Mandarin Intermediate classes left everyone captivated! The children sang "我们的月亮一定圆" ("Our Moon Will Surely Be Round") which truly resonated with the spirit of the festival. Thank you to all the parents who came to watch for those that missed the live performance; worry not! We have recorded the enchanting performance, and you can watch it by clicking on this [link](#).

## FOBISIA Maths Code breaking challenge

Children in Year 4- 6 recently had the opportunity to participate in the FOBISIA Mathematics Code breaking challenge 2023. The challenge generated a lot of excitement and introduced the students to some of the wonderful real-world applications of mathematics. The event was organised by our new ES Maths Leader, Mr Kirt who reports; "The students taking part during their computing lessons really enjoyed applying their mathematical and logic skills in such an interesting and practical environment. Well done to all our participants!"

## Parent Teacher Conferences

We are delighted to announce that our first Parent Teacher Conference (PTC) for this academic year will be taking place from 8am-2pm on **Saturday 14th October**. This will be an opportunity to meet face to face with your child's class, Mandarin or EAL teacher and discuss your child's pastoral and academic development. A separate letter has been sent today to your school family gmail with details and how to make a booking using our online booking system, Meet the Teacher. Please note the booking system opens on Monday 2nd October at 8am and closes on Thursday 12th October at 10am. If you need assistance do contact the SJIIM Helpdesk: [helpdesk@sjj-international.edu.my](mailto:helpdesk@sjj-international.edu.my)

## Jaime Day

Next **Friday, 6th October** is our first Saint Day of the new academic year and it will be in honour of Saint Jaime. The newly elected house captains in Elementary and High School have been busy organising activities for the day. A reminder that on Jaime Day, children in Jaime House are asked to come to school in their red House PE kits, while other children are asked to wear a red accessory, e.g. socks, hair band, wristband etc.

## HS PTC Reminder:

Parent Teacher Conferences will take place online using 'Meet the Teacher' on Saturday 14th October. Further information on how to make appointments will follow via email and can also be viewed on Parent Google Classrooms.

## HS House Elections

This week saw the results of our house elections; congratulations to all those who were voted in by their peers.

## Scholarship Ceremony

## MAPPAC

Last Friday, over 40 students from Years 10-13 gathered in the Brother's Quarters to listen to a talk given by Dr Tay Chai Li, a doctor working at Malaysian Association of Paediatric Palliative Care (MAPPAC).

During the talk, Dr Tay shared her experiences studying in Russia, giving valuable advice on choosing a medical school. She then told students about what to expect as a resident doctor. She also talked about the impactful work she does at MAPPAC, caring for ill children and their families. Students had the chance to submit questions beforehand, which were answered throughout her talk as well as during a short Q&A session at the end. More info and photos [here](#).

## Lasallian of the Week

This week our Lasallians demonstrated bravery in the classroom, exploration and independence in their study, creativity and fairness in serving our peers, and empathy and understanding in our discussion of differences. St Joseph's is very proud!
