## This Week's Highlight at SJIS

We are very excited to celebrate Founder's Week next week — a special time to honour St. John Baptist de La Salle and our shared Lasallian values. Throughout the week, students across the school will take part in a range of fun and meaningful activities, including:

 **Lasallian lessons linked to the Sustainable Development Goals (SDGs)**

 **Service-themed games** in the Elementary School in support of our "Hungry for Change" project, partnered with **Kita Kitar**.

We kindly suggest a **donation of RM10 per child** — please see the poster below for more details.

 **Founder's Day Mass** – Thursday, May 15th at 10:30 AM (for Year 3 and above)

 **Community Event** – Friday, May 16th from 12:00 PM onwards, led by our wonderful **Lasallian Youth Movement (LYM)** students

 And of course, **Founder's Day ice creams** for all students and staff

Please note there will no **lunch served in school on Friday 16th**, and all students will be dismissed at the following times:

**Early Years** – 12:00 pm, **Years 1–6** – 12:15 pm **High School** – 12:30 pm

We warmly invite all families to join us after school for some delicious food, fun activities, and live entertainment. We look forward to celebrating this joyful week with our whole Lasallian community.

### Staff First Aid Training

At St. Joseph's, we want all our staff to feel confident in handling first aid. Last Friday and Saturday, 25 staff members took part in a two-day First Aid training course, which covered, basic occupational first aid, CPR & AED training.

The trainers made the sessions enjoyable, even while covering serious topics. We also learned how to recognise various types of common injuries and sudden illnesses. Congratulations to our staff on showing such dedication and commitment to our students wellbeing and care.

### 13th Novice Swim Meet - 3rd-4th May 2025)

Well done to our swimmers who competed in the 13th Novice Swim Meet at PADE, Shah Alam. We are incredibly proud of each swimmer who took to the pool, showcasing their skills, determination and sportsmanship as they continued to build on their experience and achieving personal best times. A special shoutout to our medalists: Arjun Menon winning 2 gold medals (25m Freestyle, 50m Freestyle) and Vennetia Chua winning 1 silver medal (25m Breaststroke). Congratulations! Please see more photos [here](#).

### AIMS SWIM SERIES FINAL - 3rd May 2025

We are thrilled to celebrate our talented swimmers who proudly competed in the AIMS Swim Series Finals at the International School of Kuala Lumpur. These athletes secured their spots among the top 16 competitors in their respective events during the previous race legs, demonstrating outstanding skill, determination, and sportsmanship. Please find more info and photos [here](#).

### SPV update - [Pickleball parents](#)

The SPV's weekly pickleball session has had a good start with many parents from different year groups joining the fun. Do come and join us every Thursday. Just scan the code in the poster to be added to the whatsapp group for updates.

### ES Production Update

The Secret of the Chocolate Factory, is coming together wonderfully! Teachers and students have been working incredibly hard, singing, acting and memorising their lines, with the Oompa Loompas already dancing their way through rehearsals. A big thank you to our amazing parent community, who are busy creating fantastic props and costumes to bring the show to life. Get ready to see the Oompa Loompas in action! Tickets will go on sale at the end of this month, with more information to follow soon.

### Let's Come Together: SRC Welcomes New Students

"Let's come together" was the motto of the Student Representative Council (SRC) as they warmly welcomed new students to a special lunchtime social event. Students shared lunch, played ice-breaker games, and had the opportunity to chat with SRC members about how they've been settling in during their first few weeks of school. "It was such a great afternoon," one student shared. "It really helped me feel more connected and confident." The event was a huge success, filled with smiling faces, laughter, and lively conversations. The SRC's efforts made a real difference in helping new students feel part of the school community from the very beginning. Thank you to the SRC for making this a meaningful and welcoming experience for all.

### Year 6 AIMS Maths Competition

Over two days last Friday and Saturday two teams representing SJIIS took part in the Year 6 AIMS Maths Challenge hosted by British School Kuala Lumpur. Over the two days the teams tackled all kinds of maths challenges including individual tests, team puzzles and codebreaking challenges, a construction challenge as well as a maths trail around the BSKL campus. The children took part with great enthusiasm and energy and represented our school in an exemplary manner. Well done to all!

## International History Bee & Bowl Success

On 12–13 April, ten students proudly represented our school at the International Academic History Bee & Bowl after attending the weekly CCA. Competing in fast-paced, buzzer-style rounds against teams from across Asia and New Zealand, our students demonstrated impressive teamwork, quick thinking, and historical knowledge.

Congratulations to all participants—and especially to our Junior Varsity team and Year 11 students, who have been invited to the Asian Championships in Thailand!

## Science Week

Following on from the fabulous Science Change and Adapt Showcase held at the end of Term 2 for Science Week, (where Year 7-9 students presented their projects to ES students), winners were announced and certificates presented for the winning teams from Year 7, 8 and 9 during last Monday's assembly.

Our student Lasallians of the Week - highlighting that even when you are not attending school our students are still working hard for each other!

Staff Lasallian of the Week:  
Ms Catherine Ellis
