FRIDAY JUNE 13TH

Catholic and Christian Community (CCC)

As the year draws to a close, we pause to reflect on how we've grown—as learners, leaders, and people of faith. In the spirit of St. John Baptist de La Salle, may we give thanks for the moments of grace, the lessons learned, and the community we've built. Let us finish strong, with gratitude in our hearts and hope for what's to come.

Save the Date

We will gather together in prayer of Thanksgiving for the school year 2024-2025 on **June 13 (Fri)** at **8:15am** in the School Chapel.

For Non- Muslims only

TEXTILES DRIVE

Year 6 is exploring the human dimensions of migration in their IPC this term! As they connect with the migrant community in Malaysia, Year 6 is collecting preloved textiles to help empower Afghan refugee women in the NGO Greater Action. These refugee tailors repurpose donated textiles into unique handcrafted items that they can sell to support their families. Acceptable textiles include kain songket, sarong, sarongs, bedsheets, quilt covers, curtains, scarves, cushion covers, tablecloths, and sofa throws. Donations of clean, good-condition items can be made to the textiles dropbin in the school foyer from 30 May - 6 June 2025.

As part of the Year 6 IPC Unit 'Moving People', students have been exploring the lives of refugees on a global scale, as well as closely observing how action can be taken on a local level. One of these is through working with 'Greater Action', donating textiles which can be upcycled into amazing products. Therefore, next week there will be a beautifully decorated bin **IN THE FOYER**, created by the students, which will be a **TEXTILE TROVE** of donated textiles. This can include bed sheets, linen, clothing, cushions, curtains and scarves.

Lost Food Project Presentation

We had the privilege to have Sarah from The Lost Food Project join us for a chat about food waste and sustainability. Students were engaged and captivated with some alarming statistics about food waste in Malaysia, please ask a Year 5 student how many elephants of food waste happen each day in Malaysia? Stay tuned for some more information and a future partnership with the Lost food project with our upcoming IPC topic.

Class Assemblies this week

1J - This week, 1J shared a fantastic assembly all about loyalty. We explored what it means to be a loyal friend - sticking together, being kind, helping others, and doing the right thing. The children loved performing The Jungle Games, where the animals learned that loyalty matters more than winning. Their acting was full of heart and energy! They also enjoyed singing and dancing to Happy and We're All in This Together, showing great confidence and teamwork. I'm so proud of how hard they worked and how well they supported each other. Well done, 1J - you truly showed what loyalty looks like!

6M - Our class assembly this week has two themes. First we will be sharing lots of the learning around our IPC topic "Moving People". This will include an account of our recent trip to the Greater Action Centre and sharing some of the emotive writing we did in our English lessons. We will also present a short skit on the virtue of the week - loyalty.

Year 5 - Good Times Baking Trip

Year 5 headed to the Good Times DIY Baking Studio in Bukit Jalil to engage in an activity which was both fun and scrumptious in equal measure. As part of our 'Bake It' topic in IPC, we were tasked with following instructions from a recipe to make triple chocolate cookies and these were baked on site, ready to be taken home and devoured even quicker than they were made! If you ask the year 5s kindly, perhaps they would bake some more for you!

SRC - Lunch Time Activities

Students in the ES were treated to a vibrant and inclusive lunchtime this week, thanks to the efforts of the SRC, who organised a series of structured games on the school field. What made the event truly special was the way it encouraged participation from students who don't usually join in. With a warm, welcoming approach, the SRC members ensured everyone felt included and valued. Throughout the event, one clear theme shone through: friendship. Whether students were cheering each other on, working together in teams, or simply sharing a laugh, the spirit of friendship was everywhere. The field was filled not only with games, but with kindness, encouragement, and joy. Congratulations to the SRC for leading with such heart and for showing that when we work together and look out for one another, everyone can feel like they belong.

LYM Day Out with Zomi

On Saturday, May 31st, the LYM hosted an unforgettable Day Out with our friends from the Zomi Education Center, in support of our wider community partner homes. Over 50 Zomi kids joined us to celebrate friendship, teamwork and the joy of coming together as a community. With the enthusiastic support of our LYM students and some of the Elementary School SRC, the day was buzzing with energy, smiles and laughter.

The morning was packed with a variety of fun activities, including Just Dance, football, basketball, and volleyball. Our students actively joined in, encouraging and playing alongside the Zomi kids, bringing everyone together in the spirit of fun. The spirit of teamwork and friendship was truly alive throughout the morning's games.

After working up a healthy appetite, everyone gathered for a delicious pizza and ice cream lunch, a perfect way to refuel and relax. The afternoon wrapped up with a cosy movie screening, giving everyone a chance to unwind and enjoy some well-earned downtime together.

This special Day Out was a wonderful celebration of community, connection and shared joy; creating lasting memories for all involved and strengthening the bonds between our partner homes and school community.
