SJIS INTERNATIONAL WEEK

Monday 13th - Friday 17th October 2025

International Day Parade around the field

8:15 am Friday 17th October

Parents welcome to watch and support from the steps!

Parent stalls Friday 17th October
in the Foyer from 9 am

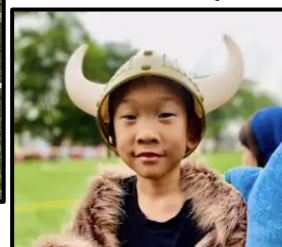

- Games, crafts, and displays
- Food tasting

Performances throughout the week

- Chinese drumming
- Year 6 K-pop dancers
- High School music performances

In class activities and much, much more!

Let's discover, learn, and celebrate different cultures!

Coming up - Diwali Gala and Dress Up Day

We are excited for our Diwali Gala on Friday, 7th November! Join us for a colourful evening with a fashion show and vibrant performances led by teachers, parents, and students across both schools.

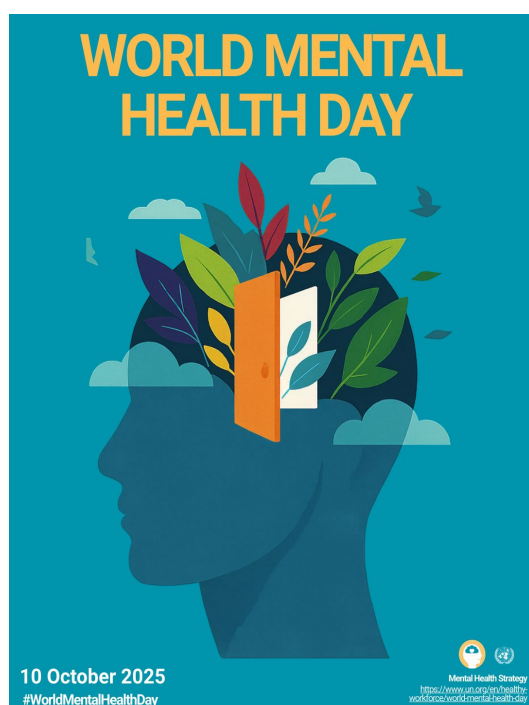

On the same day, we'll celebrate with a whole-school Diwali dress-up, so please have your outfit ready for this joyful occasion.

Keeping Children Safe in Education - Parent Workshop October 2025

Thank you for those who attended the workshop. Please do not worry if you had missed this, our Pastoral team will be hosting more workshops of this nature. Thank you to parents who has also provided constructive feedback for us to help provide better in future.

Wellbeing: World Mental Health Day (10 Oct)

October 10 is globally recognised as World Mental Health Day by the World Federation for Mental Health and the World Health Organisation (WHO) to raise awareness of mental health issues around the world and to mobilise efforts to support those affected worldwide.

3S Assembly

The Virtue of the week is Confidence and 3S showed just that (as well as courage and unity) in the first assembly of the school year. Their 'Confidence Showcase' hopefully inspired many ES friends to be proud of who they are being everyone has something special to share. Well done 3S!

Class 4S Assembly – Small Actions, Big Change.

Class 4S shared a powerful message in their assembly, reminding us that even the smallest actions can make a big difference when it comes to caring for our Earth. They encouraged everyone in our school community to reduce, reuse, repair, and most importantly, say no to single-use plastic.

Read Write Inc

We are proud to share the results from our first assessment window for the RWI phonics programme. So far, 100 children have been assessed, with 95% of them showing progress in their phonics. Of these, 34% of children moved up two groups, 12% moved up three groups, and 4% moved up four groups. A big thank you to all our teachers, learning assistants and parents for supporting our students.

International Week

We're excited to celebrate International Week, a wonderful showcase of our school's diversity. Parents are invited to join us at 8:15am on the steps by the field for the Parade of Nations, where students will display their cultural costumes, dance, and pose for photos. Classes will then visit stalls from Canada, Australia, South Africa, Greece, New Zealand, Jamaica, Peru, and South Korea to sample foods, play games, enjoy crafts, and learn about each country. It promises to be a joyful celebration of culture, community, and global connections.

ES Parent Teacher Conferences

A big thank you to all the parents who attended today's parent-teacher conferences with the Mandarin, Bahasa, and EAL teachers, and to those who are scheduled for sessions tomorrow. Please aim to arrive on time so teachers can keep to their schedules and avoid delays for other parents. We hope you're finding these meetings valuable and that they're providing a clear picture of your child's progress this term, along with their next steps for continued growth.

Young Lasallians

Our Young Lasallians CCA is off to a wonderful start! Students in Years 4 to 6 have been exploring the UN Sustainable Development Goals (SDGs) and have chosen the goals that inspire them most. Group 1 shared a thoughtful message in our assembly about **SDG 4: Quality Education**, reminding everyone to value their learning and be thankful for the opportunities we have. On **Tuesday, 14 October**, our Young Lasallians will host a **Book Swap** — a “*Bring a Book, Take a Book*” initiative for students in Years 4 to 6. We hope everyone will join in and help spread a love of reading and learning across our school community.

Changemakers Council

Congratulations to all the students who applied for our Changemakers Council. We were so impressed by the enthusiasm and thoughtful ideas shared during the selection process, and we are delighted to announce our new council members for Term 1. **Representing Year 4 – Jaeah, Wan Xi, Jatheen, Sofia, Maksim, Jayden Lee, Reyansh and Eloura.**

Year 5 – David Thomas, Akira, Marissa, Penny, Daisy, Aki, Aryan and Kairen.

Year 6 – Ashvika, Tristan Oh, Sunny, Emma, Adele, Tristan Tan, Zainab, Ethan, Kashvi and Roy.

We look forward to seeing how these young leaders inspire others and help make a positive difference across our school community.

Year 4 Trip

Year 4 enjoyed a wonderful day at **Taman Tugu Nursery** with the **Free Tree Society**, learning how trees help our planet and why taking climate action matters. It was a hands-on and inspiring experience that linked perfectly to our IPC unit on *Climate Action* and the Sustainable Development Goals.

Book Swap Initiative:

Group 1: Maha, Emelia, Rita, Katarina and Elisabeth (Year 4 and Year 5)

Year 11 Geography trip

The Year 11 Geographers attended a two day, overnight field trip to the Janda Baik and Bentong area in preparation for their IGCSE Paper 4. On the first day, under glorious blue skies, they recorded river data in order to test hypotheses that they had set themselves - common consensus was that it was wonderful to cool off in the chilled flowing water. In the evening they discussed the validity of the data and how it would be presented. After dinner, they toasted marshmallows on a camp fire whilst relaxing to music. On the second day, they went to Bentong and undertook data collection in an urban environment, they also had the opportunity to shop and purchase some of the famous local ginger. The Geography pupils were outstanding in the exemplary manner with which they conducted themselves, displaying huge amounts of resilience in particular and no small amount of growth in confidence both with unfamiliar surroundings and their Geographical ability. Well done all.

Year 10-13 PTCs

It was great to see so many parents attending the online Y11 and Y13 PTCs this week. We are looking forward to the Y10 and Y12 appointments next week:

- **3.30-6.30pm Wednesday 15th October**

The booking window is already closed for these bookings. Please check your Meet the Teacher account for a reminder of your slots.
