2026 marks a major milestone: our **10-year anniversary!** To celebrate, we are turning the spotlight on you - the people who have made the last decade so special. We invite all teachers, staff, students, parents and alumni to take a walk down memory lane with us. Please share your favourite photos, cherished memories or personal reflections with Mr Cairns. We look forward to featuring your stories on the cover of our weekly update throughout the year.

Upcoming Events:

29th Jan - Parenting Talk by Dr Sammy

It's a little surreal to acknowledge that this is my 10th year here. My first day feels simultaneously like yesterday and 100 years ago. Yesterday because I remember it so vividly, and 100 years ago, because of how big a part of my life SJI has become.

When asked to reflect on my first day, the thing I remember most was having a awful cold, but feeling very self-conscious in front of all my new colleagues whenever the need to leave the room to blow my nose became too much to bear!

Getting through the first year with the levels of success that we did may very well have been my most rewarding experience here; setting up a new school, and the amount of going above and beyond that we did in 2016-2017 remains the most rewarding experience of my career so far.

Since then, despite many challenges, I have seen many wonderful people in this school living out our values to make the world a better place through acts of service and quality education.

Music Parent Information Session

This Music Info Day is an opportunity for ES parents to learn more about your child's music journey at school. We'll walk through the music curriculum, share upcoming performances and special events, and explain what students are working toward at each grade level. The session will also focus on how parents can support and build confidence in their child's musical performance—both in the classroom and at home. It's a great chance to ask questions, understand expectations, and partner with us in nurturing a positive and enjoyable music experience for every child.

Mid Year School Reports - now available

Your child's Mid-Year Report is **now available** on the SJIIS Parent Portal. You can access the portal using the following link: [SJIIS Parent Portal](#). Detailed instructions on how to access your child's report were sent to your school Gmail account this week. If you have forgotten your username or password, please use the "Forgotten your details" option on the login page. This week's Assemblies

6J Assembly Feelings Assembly

Year 6 shared some of the creative and expressive learning they have been doing in their newest IPC unit. Students shared dances, artwork and musical pieces, focussing on the Big Question "How do humans express themselves?" Following this they showcased the Virtue of the week - Honesty - through two drama pieces, focussing on a broken classroom item and game of UNO that took an unfortunate turn.

Year 6 The Safe Shield Assembly

Thursday this week, Ms Jasmine our HS Assistant Principal spoke to all Year on keeping them self and others protected from bullying. The looked at the different laws and legislation in Malaysia and discussed ways on protecting them and others and how to get support when they need help.

AIMS Orchestra Event

On 17–18 January, St Joseph proudly participated in the AIMS Primary Orchestra Festival held at Charterhouse International School. Five of our Elementary School Orchestra members performed alongside students from nine international schools across Malaysia. Under the guidance of teachers from each participating school, the students rehearsed together and presented a wonderful concert for parents. Beyond the music, the festival fostered new friendships and meaningful connections among both students and teachers.

Welcome Ashleigh Pickering

We are very pleased to welcome Ms Ashleigh Pickering to the SJIIS community. An exceptional educator to take over the 2S class teaching position. Ms. Ashleigh brings a wealth of international experience, having spent over 12 years teaching across diverse educational settings in Dubai, New Zealand, United Kingdom and Malaysia. She has been getting to know the students and parents this week and we wish her all the very best in her new role here at SJIIS.
